

# beans for babies

## concept

Everyone loves coffee—and babies!

March of Dimes “beans for babies” brings these two things together for **you**. And just in time for the holidays!

This coffee-of-the-month club features local roasters from around the Northwest. Along with samples, coupons and any other goodies we can find, subscribers will receive 12-16 ounces of beans (whole or ground depending on roaster) each month.

Participation is very limited. We will offer only 100 subscriptions to you, our fantastic, dedicated audience of corporate partners and families that believe in our mission—giving every baby a healthy start in life.
